The world is becoming one large corporation and you know that something just isn't right. Our future is in jeopardy – we have lost control over our land, our water, our air. Banks are charging interest on money that they make out of thin air, and there are now hundreds of taxes that didn't exist 100 years ago.

Your human rights are being abolished before your very eyes … what are you going to do?

Welcome to the home of Freedom Summits, where we are empowering individuals by educating them on their basic rights, the government corporation, the environment and themselves.

Through a series of Freedom Summits held in Australia, we are aiming to enlighten, educate and empower all citizens of the world through a number of key topic areas. Click on the Events tab to view

and register for our upcoming summits.

The Freedom Summits cover the following areas of learning:

- Freedom of Tax
- Freedom of the Law system
- Freeing yourself from Debt, and being the bank's worst enemy
- Handling Police and Local Council's illegal fines
- The truths and disinformation about cancer treatment, and alternatives that actually work
- The fundamentals of your body and the food we need to stay healthy and happy
- Sustainable living and intentional "community"
- Deep insights into what is really happening in the world, including the Middle East, South America and the USA
- Fundamental knowledge about Australia's original inhabitants and astounding information about true land ownership
